

Welcome St. Joseph Catholic School Families!

Thank you for choosing St. Joseph Catholic School to educate your child from preschool through grade 8. Your children's education is one of the most important decisions you will make for them. We appreciate the confidence you have placed in our school.

St. Joseph has been enriching children's lives for over 50 years and continues to strive to provide the best Catholic education to all students. Our administrators and teachers are degreed professionals fully licensed by the Florida Department of Education. By choosing St. Joseph Catholic School, you have given the gift of a rich academic experience as well as the gift of a strong faith emphasis throughout their years here. Our students' moral development is centered on the 4 R's: respect, reverence, responsibility, and right choices. We look forward to working with parents who, we recognize, are our students' first teachers.

St. Joseph strives to develop and motivate each child to reach their highest possible potential. Our curriculum is strong and our standardized test scores on the Iowa Tests of Basic Skills show that our students perform well above the national average. Teachers are accessible, and the use of Edline allows parents to monitor grades of children in grades 3 to 8. Do not hesitate to contact teachers with concerns or comments. They welcome your input and look to develop a good relationship between home and school.

Again, welcome to St. Joseph Catholic School. Our website provides information that will be useful to your family. If you have any questions or concerns, our doors are always open to you. We look forward to an outstanding school year!

Cordially,

Mrs. Deborah A. Schwope, M. Ed.  
Principal
